PRICES BY WEIGHT FOR MARKET GARDENERS AND OTHER LARGE USERS

The range of quantities listed should be sufficient for the requirements of all customers other than those ordering in packets. If for some special reason quantities are wanted smaller than the minimum listed here the rate charged will be slightly higher, but the minimum order for bulk seed of any variety must be to the value of 1/3 (or 1/- where that rate is quoted) —otherwise packets will be sent. All vegetable seeds are 6d. per packet, except where otherwise stated.

N.B.—Please carefully write "ozs." or "ounces" and "lbs." or "pounds" to avoid confusion with "doz." and other common abbreviations.

DESCRIPTIONS.—See Yates' Annual, sent free on request. We also publish various free booklets and leaflets on the cultivation of some of the more important kinds.

The reduced rates quoted in this list for the larger quantities specified apply when the respective quantity is ordered at the one time and for the one delivery.	oz.	¼lb.	lb.	Per lb. in lots of			oz.	¼lb.	lb.	Per lb. in lots of
